

GIVING THROUGH YOUR WILL

Having a will is one of the best ways to take care of your family's future.

You can also use your will to provide financial support for charitable organizations, such as your public library, which will have a lasting benefit to your community.

A special gift to your library through your will ensures your generosity benefits your family and community well into the future.

PLANNING TODAY MEETS THE NEEDS OF TOMORROW.

Please note that the information provided in this brochure should not be considered a substitute for independent legal or financial planning advice. Library supporters should consult with independent counsel to determine the applicability of this information to your personal circumstances before considering a planned gift.
